INSTRUCTIONS FOR COMPLETING YOUR OCCUPATIONAL TAX REGISTRATION AND RENTAL LICENSE REGISTRATON FORMS (FISCAL YEAR JULY 1 THROUGH JUNE 30)

When computing the fee for your occupation tax, we are interested in the location of your business office and the number of employees and/or business owners that are actually working within the city limits of Rogue River.

Examples:

1. Your office is located outside of Rogue River, but you do work (sales, consulting, construction, etc.) within the city limits. What is the greatest number of employees and/or business owners inside of the city at one time? Use this as the employee count to determine the license fee in Schedule B.
2. Your office is located inside of Rogue River. You do work in Rogue River and/or outside of the city limits. What is the greatest number of employees and/or business owners working? Use this as the employee count to determine the license fee Schedule A. Also, be sure to fill out the emergency contact form for the police department.

Two part-time employees may be counted as one full-time employee. If you have apprentices that do not receive compensation from you, do not count them as employees.

When computing the fee for your rental license registration, we are interested in how many you do NOT physically occupy and the location of your rentals.

If you are no longer doing business within the city limits of Rogue River, please return the registration form with a note stating that fact. Please be sure to include your business name, address and phone number to assure that your business is recorder properly.

Please fill out your applications completely including business name, names of owners, mailing address, phone numbers, business/rental location including any suite or unit numbers, number of units, and email address.

If you have any questions, please call City Hall at 582-4401.

Thank you for your cooperation.
