## NUISANCES REQUIRING ABATEMENT PROCEDURES

### 8.05.300 Noxious Vegetation and Debris - WEEDS

No owner or person in control or possession of property may permit weeds or other noxious vegetation to grow upon his property. It is the duty of an owner or person in control or possession of property to cut down or to destroy weeds or other noxious vegetation from becoming unsightly or from becoming a fire hazard or from maturing or going to seed.

A. The term "noxious vegetation" does not include vegetation that constitutes an agricultural crop unless that vegetation is a health hazard or a fire or traffic hazard within the meaning of subsection (B) of this section.

B. The term "noxious vegetation" includes:

1. Weeds more than 10 inches high.

2. Grass more than 10-inches high and not within the exception stated in subsection (A) of this section.

3. Poison oak.
4. Poison ivy.
5. Blackberry bushes that extend into a public thoroughfare or across a property line.
6. Vegetation that is:
  - a. A health hazard;
  - b. A fire hazard because of its height, density, dryness or because it is near other combustibles;
  - c. A traffic hazard because it impairs the view of a public thoroughfare or otherwise makes use of the thoroughfare hazardous.

C. No owner or person in charge of property shall allow noxious vegetation or debris to be on the property or in the right-of-way of a public thoroughfare abutting on the property. The debris shall be removed from areas indicated within seven days by the owner or person in control or possession of the property.

G. The accumulation of high weeds, grass, and other debris is found to create a condition tending to reduce the value of private property; to promote blight, deterioration and

unsightliness; to create fire hazards; to create a harborage for rodents and insects; and to be injurious to the health, safety and general welfare. Therefore, the presence of such conditions on private or public property is declared to constitute a public nuisance which may be abated in accordance with the procedures outlined in RRM 8.05.320 through 8.05.380.

### 8.05.290 Enforcement and Penalties

A. Enforcement. The Rogue River police department is charged with the responsibilities and the authority for enforcing the provisions of this chapter. The police officer shall have the right to enter upon property at reasonable times to investigate or cause the removal of a nuisance including potentially dangerous animals, dangerous animals, reptiles, or amphibians.

B. Penalties. A violation of a provision of this chapter, or an order issued under authority of this chapter, is punishable by a fine not less than \$50.00 and not to exceed \$1,000.

## "MAYOR'S CORNER"

I was given the honor of saying a few words at the Memorial Day Observance at the Veterans of Foreign Wars Post 4116 this year.

Congratulations to the graduating Class of 2021. It has been a trying time with on-line classes because of the COVID-19 Pandemic. As graduates this is a moment in your life that you will always remember.

Rooster Park is coming along. The National Guard will be in town starting in July to do the ground work.

Other important dates are Father's Day on June 20<sup>th</sup> (don't forget!). Rogue River's Rooster Crow Car Show is being held on June 26<sup>th</sup> and applications are available at City Hall. Registration is \$20 and the cars will be parked on Pine Street and the Umpqua Bank parking lot.
